AGRI FOOD & CLIMATE CIRCLE

1-2 October 2025 in Copenhagen

PARTNERSHIP PACKAGES

Join Us in Leading the Climate Transition Become a Partner Today

Join an international conference focused on practical solutions and new business opportunities within food and climate.

As a partner, you will gain access to new markets, connect with key decision-makers, and expand your global professional network.

Our first climate conference in Copenhagen in 2023 brought together over 250 participants from 14 countries. This year, we're aiming even higher. Cutting greenhouse gas emissions in our industry isn't optional – it's essential. And we won't get there alone: Real change demands all of us.

As a partner, you will have the opportunity to:

- demonstrate your commitment to innovation and climate solutions
- meet potential customers and business partners
- increase your visibility on the international stage.

We offer partnership packages tailored to your company's needs and ambitions.

Interested? Get in touch and learn more about your options.

Influence on the agenda

- **Membership of the Advisory Board**

The Advisory Board plays a crucial role in shaping the conference agenda by contributing with input such as ideas for topics and debates, proposing workshops or other activities, and suggesting speaker names and contacts. Your time and participation will not only enhance the quality of the conference's quality but also significantly reinforce its overall impact and relevance.

- **An Executive Session, for example, a roundtable or workshop**

Seize the opportunity to host a meeting or workshop before or after the conference. Feel free to invite decision-makers, scientific experts, and corporate leaders to discuss challenges and opportunities related to your chosen subject. All roundtable and workshop sessions can accommodate up to 18 or 26 participants, and a conference room is provided with catering opportunities at your own expense.
